SHAKE N' SEAL - ELECTRICAL SPLICE KITS

The "Shake n' Seal" kits allow for users to splice wires in any environment, they are completely submersible in water and provide a permanent water tight seal! "Shake n' Seal" protects from moisture voltage leaks, as well as helps eliminate deterioration. Not only are the kits safe and easy to use, they do not require a torch or flame.

PART #	UPC #	DESCRIPTION	SHIP CASE	WEIGHT
ES137S	19999	1 3/4" Diameter Electrical Splice Kit up to 600v	50	15
